WORDS FROM OUR PRESIDENT

Our annual fish derby is just a few weeks away, please keep in mind that this is our major fund raiser for the year. Your help is needed to make this years derby a financial success, please help us with set up on Wednesday July 14 and Thursday July 15 for set up and the derby itself on Friday, Saturday and Sunday. A special thank you to all of the committee members who have worked so hard this year with the planning stage of the derby. Our two committee chairman Ken and Jack have had their share of medical problems this year but even with that they have been available to help us.

Good news we have a complete slate of candidates for the upcoming elections. I want to give a

special thank you to Leroy and Denise for there efforts.

If you do not have raffle tickets for our WEEKLY RAFFLE which runs from July 22 to September 23 please contact Bill Kiel. There are only 300 tickets and we do need to sell them for this raffle to be a success.

See you at the Derby, and pray for good weather.

Dave

DEEP THOUGHTS FROM BOB STAUFFER...

Hope everyone is enjoying there summer. Sometime I'll look out over my deck and picture a foot or two of snow on the very same deck then stop to enjoy these warm days of summer. We here in Wisconsin appreciate warm when it finally comes. Go get your snow shovel and stand on your sidewalk with it to see what I mean.

We are down to 63 members as of June 1. The Board has take an usual step. As most of you know by now, we have a new class of membership. The associate membership will be for NEW members only. It's geared for the occasional person you have who says "I want to join but I can't make Thursday meetings"...OK..."For \$19 plus any meals you eat for \$8.50 each, you enjoy full membership." "Help us when you can." "If you want to switch to the \$38 a month...great." This action was taken to give you a new way to get us new members....try it. The Board

will fine tune this over the coming months, If you have any comments or question contact me or any Board member.

Good news to report, Mike Wojta is back from is army stuff after two years. Thank you Mike for your service to your country sir. For a bonus LeRoy Staff ask, and he's agreed, too take the VP's seat this fall. Thanks Mike...Thanks LeRoy...Election results next month. I think Mike's a shoe-in.. I'm still working on, and I think I'm ready to go on emailing statements and newsletters. If you haven't contacted me yet to say it's ok for you, please let me know at rcstauf@sbcglobal.net or phone 686-0543. I got and excellent response the first email I sent out....about half the club members saided yes. This could save \$45 plus a month for us in mail, paper and time. I could even take credit cards but it cost to much.

It has been announced that Kiwanis International was denied there application for the 501c3 Non-Profit status filed several years ago. I don't know if they will appeal. We are still waiting for ours FYI. I have received correspondence that the IRS has received our application though.

Don't forget your cans of food on the first Thursday...Carol is still collecting milk caps for the schools every week.

Please continue to save your Campbell's soup labels and Box Tops for Education. Place them in the container at our weekly meetings. To see a complete list of labels that will earn cash for our schools, see Carol Bloedorn.
